PRESS RELEASE**ITAB Shop Concept has signed a preliminary agreement to acquire Sintek Holding AB in Sweden**

ITAB Shop Concept, with registered office in Jönköping and shares subject to trading on First North, has signed a preliminary agreement to acquire Swedish company Sintek Holding AB.

Sintek is the leading Swedish supplier of shop fittings for pharmacies. The company has a long and thorough experience of developing products and concepts for the pharmacy industry. Sintek has a net turnover of 50 Msek per year with good profitability and is intended to be coordinated with ITAB's other businesses in the field. The acquisition will strengthen ITAB's market position in custom made fittings for the pharmacy business, particularly in Sweden.

The acquisition is expected to give a positive effect on result per share during 2007.

ITAB Shop Concept supplies complete shop fittings for the food and non-food business. The activities consist of project management, design, development, manufacturing and sales. The concept range includes shop fittings mainly in wood and metal, shop equipment such as checkouts and entrance systems and internally developed products. The yearly turnover in ITAB Shop Concept is approximately SEK 2,200 million SEK per year. The group has 1 300 employees.

Certified adviser of ITAB Shop Concept is Remium AB.
