

PRESS RELEASE

ITAB Shop Concept has through one of its Swedish subsidiaries signed an agreement with Biltema.

ITAB Shop Concept, with registered office in Jönköping and shares subject to trading on Nya Marknaden, has through one of its Swedish subsidiaries signed an agreement with Biltema

The agreement means that Biltema has chosen ITAB as a supplier of shop fittings, check-outs and entrance systems for all new establishment and rebuildings in Sweden, Norway and Finland. The agreement with Biltema is for 2006 with option to extension for another year. The order value for one year is expected to be more than SEK 20 million.

ITAB Shop Concept supplies complete shop fittings for the food and non-food business. The activities consist of project management, design, development, manufacturing and sales. The concept range includes shop fittings mainly in wood and metal, shop equipment such as checkouts and entrance systems as well as internally developed products. The yearly turnover in ITAB Shop Concept is approximately SEK 1.250 million.
